MEMORANDUM FOR: Assistant Director, Special Operations

FROM: Deputy Director Central Intelligence

1. Believing it was desirable to keep our friend [redacted] good frame of mind and cooperative, I have written him the attached letter. I felt that possibly we filled him up so fully with our problems of [redacted] that he might have gone away thinking that there was little utility in his working in the situation. Personally, I think that if we can bring him into it it would be an added safeguard for us and he might perform some very useful missions.

2. The attached report of which he left you a copy seems to be of interest. I should be glad to know what evaluation and dissemination has been made in order to proceed. I suggest that you include this in your files on the subject as I do not wish to keep the copy.
